

ARPA Orchestra

Criteria for the Position of Conductor

A capable conductor with enthusiasm for the ARPA Orchestra Aims and Goals as listed below.
Calm, personal, clear communication style to ensure enjoyable, relaxed but disciplined rehearsals.
Experienced in conducting from light music through to classical.
Maintain and improve the musical performance of the Orchestra.
Efficient use of rehearsal time.
Efficient music organisation with avoidance of changes, particularly last minute.

In co-operation with the Committee :

- Consider the number and type of public performances.
- Select suitable music for rehearsals and public performances.
- Consider utilising talented young performers in rehearsals and public performances.
- Consider providing practical experience for training conductors.

The Position of Conductor will be reviewed by the incoming Committee following each AGM.

ARPA Orchestra Aims :

To provide the opportunity for like minded people to make music and enjoy fellowship, to enhance our own capabilities and to share this with the wider community by giving public performances of rehearsed works.

ARPA Orchestra Goals :

To maintain a good standard of music making by way of structured rehearsals and public performances.
To enhance the health and well being of our members and encourage participation in other activities during retirement.
